AFFIDAVIT

"I am thoroughly familiar with applicable provisions of the Hawaii Revised Statutes which prohibit me from expressing support or opposition orally or in writing to any member of the state legislature or other government official on any measure before the legislature or on any action or proposed action by a state agency which could have an impact, beneficial or otherwise, on Hawaii BioEnergy. This is to advise that my lobbyist remuneration commenced on Tuesday, February 6, 2007 when I monitored the hearing proceedings of the Energy Committees of both the House and Senate. I will continue to do so until November 7, 2007 when the one-year restriction lapses. However, please know that I have and will continue to discuss matters with legislators and other government officials which do not and will not impact Hawaii BioEnergy."
